NEWS and UPDATES

As we begin a new year we look forward with eager anticipation to all that God had in store for us.

Our 2012 Convention theme is "Going the Distance" – *Christians are called to live their lives in the light of the great future realities of Christ's return, coming judgement, and the new heaven and new earth. These eschatological themes should motivate us in our Christian service, strengthen our commitment to mission, encourage us to persevere when under pressure, and inspire us to run the race until the finishing line. Keswick 2012 will therefore focus on both the future realities that Christians await and the present calling to which Christians are to be energetically committed.*

There are still some spaces on our **Spring Bible Week**, which will be led by **Derek Tidball** from 23-27th April.

For more information about this and the 2012 Programme please visit our website at www.keswickministries.org

**Please join us for our first Prayer Lunch of 2012
at 12.45 on 11 January.**
