going the distance

Something for everyone – Bible teaching, worship & fellowship – all in the wonderful setting of the Lake District. No Convention registration or booking fee – just find your own accommodation and come along!

WEEK 1 14 – 20 JUL **WEEK 2** 21 – 27 JUL **WEEK 3** 28 JUL – 3 AUG

VISIT www.keswickministries.org

CALL 017687 80075 – **EMAIL** info@keswickministries.org

Keswick Ministries, Skiddaw Street, Keswick, Cumbria CA12 4BY

The Keswick Convention is the main event organised annually by Keswick Ministries and has been taking place since 1875. It offers something for everyone – life-changing Bible teaching, uplifting worship and great fellowship combined with the chance to relax and enjoy a holiday in the wonderful setting of the Lake District.

WHAT HAPPENS AT THE CONVENTION?

Each week starts with the Evening Celebration at 7.30pm on the Saturday, and these celebrations continue throughout the whole week, ending on Friday. On Sunday morning there is a choice of hearing a Keswick speaker in one of the local churches or joining in with the All Age Service in the Main Tent. Weekdays include morning Seminars, Bible Readings and Afternoon Studies.

KESWICK4KIDS

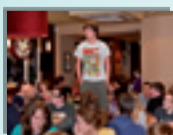

Kids love to come to Keswick! A lively programme for children aged 3-11 offers fantastic Bible teaching with singing, games, crafts and lots of fun! The heart of the K4K team is to help children get to know Jesus better and live for Him. K4K runs alongside the morning Bible Readings for those aged 3-11 and also alongside the Evening Celebrations for those aged 8-11.

KESWICK YOUTH keswickyouth.com

A big part of youth ministry is relationships and so there's a strong emphasis on small groups – really getting to know everyone. The fantastic atmosphere in the venues is a great environment in which to get serious about God and the Bible. You also get to enjoy an amazing part of God's creation! The programme runs alongside the morning Bible Readings and the Evening Celebrations, with an extra Late Nite slot too.

abide K2

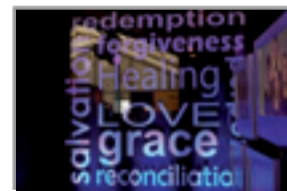

In seeking to offer something to everyone, Abide and K2 are Keswick's provision for young adults. 2012 again promises to bring fun, personal challenge, great teaching and fellowship through Bible teaching, prayer, worship and discussion, plus fantastic after-hours programmes. Keep an eye on the website for more details.

During one week, Prospects run a special programme for those with learning disabilities. It gives all those who attend the opportunity to express themselves freely in Bible teaching, worship and drama. Many families return year after year and firm friendships have been established. **For more info call 0118 951 6978 or visit www.prospects.org.uk**

earthworks

Earthworks is our mission exhibition, situated on the Rawnsley site. Open during the afternoons and evenings, this is a great opportunity to explore God's work, and discover how you might be more involved. There's an interactive exhibition, individual mission agency stands, Fair Trade fair, Christian bookshop, café and internet café.

Painters, poets, authors and musicians will be just some of those contributing to 'Keswick Unconventional'.

This optional stream will be using a variety of creative components to enhance our engagement with Scripture. The programme includes an interactive Bible reading, short concerts and an after-hours magazine show. Whether you are a Christian artist, or are simply interested in creative gifts of all kinds, join us for what promises to be an exciting 'Keswick Unconventional'.

prayerworks

Prayer is central to the Convention. As well as allowing plenty of opportunities for you to pray individually and corporately at the event, the Prayerworks venue provides a space for quiet reflection amongst the busyness of the programme.

The Deaf Stream programme is designed to encourage people whose first language is British Sign Language in their faith – giving them the opportunity to express themselves freely in Bible study, discussion groups and worship. Firm friendships are often established during Keswick and many people have been delighted with this opportunity in previous years. There will be BSL interpreters in Main Tent meetings across the three weeks.

THE KESWICK 2012 CONVENTION

Christians are called to live their lives in the light of the great future realities of Christ's return, coming judgement, and the new heaven and new earth. These eschatological themes should motivate us in our Christian service, strengthen our commitment to mission, encourage us to persevere when under pressure, and inspire us to run the race until the finishing line. Keswick 2012 will therefore focus on both the future realities that Christians await and the present calling to which Christians are to be energetically committed.

going the distance
