

keswick 2012

GOING THE DISTANCE
living in the light of the future

WEEK 1: 14-21 July
WEEK 2: 21-28 July
WEEK 3: 28 July-4 August

comments >>

"Thanks again for a great week"

"Hot chocolate was brilliant"

"The food was fabulous..."

"Great not to have to cook or think about lunches for a week"

"We have had a wonderful first time - we will be back!"

"We loved it - even when it rained!"

"It was all great fun and we thoroughly enjoyed ourselves"

the camp >>

We've been holding the camp in Keswick for over 80 years, first as Sudan United Mission (SUM) Camp, then as Action Partners Camp - and now Springs Camp.

Our aim is to help you to attend the annual Keswick Convention whilst enjoying a reasonably priced holiday.

Join us for a blend of fellowship, fun, mealtimes together, a launch trip on Lake Derwentwater, maybe an afternoon kayaking or perhaps a coffee in one of the many coffee shops in and around Keswick.

The Keswick Convention programme gives you the details of meetings, seminars, youth and kids clubs so you can arrange your own timetable of meeting and holiday activities to provide the refreshment and relaxation that you need.

A team of leaders is on site each week to run the camp and get to know you and assist in any way we can to help you enjoy your holiday.

We rent a field on a local farm, within walking distance of the Keswick Convention Centre and the Rawnsley site, so you won't need to get your car out to go there. We hire a large marquee and use this as our communal dining hall. Our volunteer cooks prepare your breakfast, packed lunch, evening meal and supper in our fully equipped cookhouse (sorry, no self-catering). Crockery and cutlery are provided, as are hot and cold running water, portacabin toilet facilities, showers, wash tents, shaver sockets and one hair dryer socket.

Campers are given a duty day ("on fatigues") during which you are asked to help with the running of camp (eg food preparation, serving meals, washing-up). A lot of people say this is the best day of the week as you get to know the people you're working with!

We aim to run camp to the highest possible safety and hygiene standards and we are continually looking to improve our facilities. Our site is flat and drains well. However, it's a farmer's field for the rest of the year and it does rain in the Lake District; three weeks of rain will make any field wet and muddy so bring your wellies and do come prepared. We have had some wet years and also some gloriously hot and sunny ones. Whatever the weather, the Lake District is beautiful!

the cost >>
