NEWS and UPDATES

On the opening night of this year's Convention John Risbridger prayed that those attending Convention this year would "be blessed, in order that they might be a blessing when they return to their local churches and communities". We truly believe that many people have been blessed by God, and that there will be much fruit as a result of the seeds that have been sown.

The live relay of the morning meetings to the Earthworks marquee at the Rawnsley site, introduced this year, has worked well and been welcomed by those making use of this facility

Henry Olonga took part in 'How's that!' - a 20:20 Cricket match during Week 2 which was enjoyed by both conventioners and locals. It received a very positive response from the local community.

**Please join us on the 14th September at 12.45pm
for our lunch and prayer meeting at Skiddaw Street.**
